

SnowReal!
Instant Decorative Snow

DIRECTIONS:

1. Pour 32 oz. (1 quart) of water in a bowl. Rapidly stir water while slowly pouring in 1 tablespoon (1/2 ounce) of Snow Real.
2. Stir until desired consistency. For wetter snow gradually add more water.
3. Sprinkle on objects/surfaces to accent, or form into shapes and scenes.

CRAFTS & DECORATING IDEAS:

Holiday Displays
Centerpieces for Weddings and Events
School Projects
Clear Vases & Bowls with Silk Flowers/Candles

HELPFUL TIPS:

Do not place directly on wood or fabric.
Place on plastic wrap, glass, mirror or foil.
After several days, refresh drying snow by misting with water.
Cleans up easily.
Place in trash container.

CAUTION:

Nontoxic. Nonflammable.
Do not take internally.
Supervise use by children.
Slippery when wet.
Sweep up spills immediately.
Dispose of product in trash container.
Do not flush down drain.
