

GOOD THINGS *really do come in* SMALL PACKAGES

Convenient, self-serve display buckets promote cross-merchandising for robust sales.

Formulated for the professional landscaper, Soil Moist is the name you know and trust for quality. The new Soil Moist Mycorrhizal Transplant formulas contain Soil Moist water-management polymers and a diverse 12 species mix of

highly active spores of endo and ecto mycorrhizal fungi. It includes an effective bio stimulant formulation making the product incredibly versatile – for trees, shrubs and plants and in a host of habitats.

Available with and without a timed release fertilizer, these easy-to-use formulas increase plant growth and establishment with less waterings and fertilizer use.

Each three ounce package will treat up to a 1" caliper tree. The smart new packaging promotes cross-merchandising tree and plant sales with Soil Moist products, giving your customers the products they need to stimulate aggressive root growth and establishment for all new plantings.
