WATER-STORING GEL BEADS

**Beads Grow Up To
2-1/2" In Diameter!**

Deco Balls deliver gorgeous show-stopping, high-impact color!

These oversized water-storing gel beads add drama and fashionable flair to floral and candle arrangements. From sleek, striking contemporary designs to rich multi-faceted classic arrangements, Deco Balls offer a unique dimensional effect.

Like other JRM Deco products, Deco Balls are simple to use: Place the Deco Balls into large container and add water. Wait for all the beads to fully expand. Drain excess water and decorate. These shimmering beads add visual interest while gently securing silk or fresh flowers, or anchoring candles.

Easy to use—*just add water*

Each Container of Deco Balls Makes Over 8 gallons!

From decorative accents to unique centerpieces, Deco Balls are the smart new, eco-friendly choice for savvy designers and florists:

- 1 ounce makes over 2½ quarts of decorative balls
- Less expensive than marbles or stones
- Non-toxic, environmentally friendly
- Bold new size ranges from 1 3/4" to 2 1/2" in diameter when fully hydrated
- Available in a beautiful array of designer hues

Packaged in convenient 12 oz jars

Available in Clear & Mixed Colors: Blue, Yellow, Red, Orange, Green, Pink, Purple, and Clear.
