## **Bold. Colorful. Creative.**

Celebrate everyday creativity with the new line of water-expanding gel shapes by JRM. Versatile gel shapes are easily incorporated as a bold design element or a subtle accent in your designs. Non-toxic, eco-friendly, safe and simple to use, they can be combined with any Deco Bead or Crystal Accent product. Deco Beads expand when added to water, they are less expensive than marbles and will not crush the stems of flowers.

• Highlight any Deco Bead or Crystal Accent product. • Ideal for holiday and special-occasion displays. • Use with arrangements, centerpieces and gifts. • Visit JRM online to learn more [www.soilmoist.com](http://www.soilmoist.com)
