Soil Moist™ Plant Watering Mats flourish with sales appeal!

Two irresistible ideas for all plant lovers! From the name that keeps adding fresh energy to your business, Soil Moist Mats are *clearly positioned and colorfully packaged* to captivate shoppers—and turn quickly and profitably for you!

A welcome solution with major appeal, easy to apply, consumers simply water these mats and place them beneath their potted plants. The mats reduce plant waterings as they slowly release water back to the plant roots.

Soil Moist Vacation Mats are ideal when you go away for an extended time. Simply water the mat and place your house plants on the mat. Through capillary action, plants are watered for up to three weeks.

Great for today's growing gardening market and everyone on the go! Ideal for greenhouses too!
