

TreeMoist™

Christmas Tree Granules

Brisk, Profitable add-on Sales
are Under the Tree for You!

Choose from TreeMoist™ —
and TreeMoist Plus
with tree preservative.

Customers love safe,
simple TreeMoist for
keeping Christmas trees
fresh and green—
with far fewer
waterings and mess.

*A great impulse buy
for holiday shoppers!*

Make sure profitable TreeMoist™ sales are in your holiday plans!

Free-standing self-shippers—quick, easy free-standing displays with TreeMoist 90- and TreeMoist Plus 75-packs. High-impact headers and racks!
(20"W x 60"H x 15"D assembled)

TreeMoist safe, nontoxic polymer granules absorb water in the tree stand—then time-release it, greatly reducing waterings, spills and mess for your customers:

- So easy to use
- Just add to water in the tree stand
- Simple package directions, plus additional use ideas
- Ideal for businesses or homes where free-standing water is not permitted or desirable
- If Crystals spill, simply sweep up. Crystals will not stain or harm carpet and hardwood floors.
- **TreeMoist Plus** includes preservative for longer-lasting fresh, lush appeal

TreeMoist retailers receive the advantages of bold, colorful, self-selling packaging, versatile display options, outstanding cross-merchandising opportunities—and profitable quick-turn impulse sales:

Shelf display 8-1/4" x 5" x 6-1/2"
contains 24 one-ounce packages. 1 or 2
displays per master carton.

Shelf display 10" x 5" x 6-1/2"
contains 12 two-ounce packages.
2 displays per master carton.

Made in U.S.A.
